

SAFETY & QUALITY

For the full schedule, including dates and times, please refer to the WCA2026 online programme

SUBCOMMITTEE

Co-chairs:

- Hilal Ayoglu, Türkiye
- Benedikt Preckel, Netherlands

Members of subcommittee:

- Ahmed Rhassane El Adib, Morocco
- Erlinda Oracion, Philippines
- Le Shen, China

LECTURES

1. IS OUR WORK UNSAFE WHEN WE ARE LEAVING THE OR?

Chair: Ahmed Rhassane El Adib, Morocco

Risk of airway management outside the OR

Le Shen, China

Remimazolam – safer than propofol for sedation?

Benedikt Preckel, Netherlands

Beneficial effects of electronic clinical decision support

Karen C. Nanji, USA

Occupational risks for the anaesthetist working outside the OR

Hilal Ayoglu, Türkiye

2. SAD BUT TRUE: ANAESTHESIA SAFETY DURING DISASTER AND VIOLENCE

Chair: Hilal Ayoglu, Türkiye

This earthquake changed our lives

Basak Ceyda Meco, Türkiye

If violence has become your daily business

Hyla-Louise Kluyts, South Africa

Decision making and psychological safety in extreme situations

Elizabeth Namugaya Igaga, Uganda

3. DEBATE: SUSTAINABILITY VERSUS PATIENT SAFETY: DO THEY COMPETE WITH EACH OTHER?

Chair: Elizabeth Namugaya Igaga, Uganda

Pro: Environmental Sustainability Activities are risky for Patient Safety

Benedikt Preckel, Netherlands

Con: Patient Safety is enhanced by Sustainability

Patricio González Pizarro, Spain

4. WHO SESSION

5. EDUCATION IN PATIENT SAFETY – WHAT ARE THE OPPORTUNITIES?

Chair: Basak Ceyda Meco, Türkiye

Can we establish an international curriculum for Patient Safety Training?

Erlinda Oracion, Philippines

The patient safety ambassadors programme in Europe

Benedikt Preckel, Netherlands

Patient safety education in resource (time-material) restricted circumstances

Bisola Onajin-Obembe, Nigeria

The value of simulation training in the undergraduate

Ahmed Rhassane El Adib, Morocco

6. SAFETY AND ADVANTAGES OF NEW AND OLD DRUGS

Chair: Erlinda Oracion, Philippines

Safety during low-flow anaesthesia w/wo volatile anaesthetics

Patricio González Pizarro, Spain

SGLT-2 inhibitors – beneficial side effects and risks

Bram Hulst, Netherlands

Safe multimodal analgesia and its impact on quality and safety of care

Maria Eugenia Passadore, Argentina

Preventing wrong drug – wrong route errors

Le Shen, China

WORKSHOPS

1. PROMS AND PREMS: HOW CAN THEY HELP US TO IMPROVE SAFETY AND QUALITY OF CARE

Workshop Lead: Bisola Onajin-Obembe, Nigeria

Minimal data sets: national and international perspectives

Hyla-Louise Kluyts, South Africa

Digital feedback on our work: opportunities of the safe brain initiative

Basak Ceyda Meco, Türkiye

Women are different from men: specific outcomes in women

Aziza Bentalha, Morocco
